FROM THE EAST

Greetings Brothers,

As spring quickly approaches we begin to think about all those projects around the house we plan to tackle this year, but before you begin those projects how about giving part of a day to the lodge? March 11th we will be having a work day to tackle a few light maintenance tasks that need to be addressed. We will be focusing on the inside of the lodge as the weather this time of year can be unreliable. If you can spare some time, we would love to see you.

Also, don't forget we will be having a rummage sale fundraiser on April 14th & 15th. It has been several years since we have done any fundraisers and the lodge has incurred some large debts, particularly the new HVAC system as well as a new stove for the kitchen. Not to mention having extra funds will make it easier to plan social events for our members. We are in great need for donated items to be sold at our rummage sale. If you or someone you know has items gathering dust in the garage, how about donating them to help out your lodge?

I would be remiss if I did not thank everyone who came to our Sweetheart Dinner last month, we had a total of 38 people to enjoy an evening of fellowship and good food.

In closing don't forget our stated meeting is the third Tuesday of the month as this month falls on March 21. Dinner will be at 6p.m. with the meeting following at 7p.m. We read a petition last month so we should have an investigating committee report and vote on accepting a new member. Chad Steckler, WM
